

2020 IASSIDD Conference
Health Special Interest Research Group

20/20 & BEYOND

JUNE 16–17, 2020 • TORONTO

CALL FOR ABSTRACTS

The IASSIDD Health Special Interest Research Group is inviting abstract submissions about the health of persons with IDD through the lifespan, including research related to transitions and supported decision-making in health care, disease prevention and health promotion, chronic conditions, ageing, mortality, health systems, and health policy.

Call for submissions will close on February 1, 2020
