### CALL FOR PAPERS Early Career Researchers – Lightning Talks

10–13 September 2020, Aalto University, Helsinki/Espoo, Finland

The Refashioning the Renaissance project team is seeking early career researchers whose research combines material-based methods and/or hands-on experimentation with historical research of dress and textiles to give five-minute 'lightning talks' during our conference. The lightning talks will be given on the second day of the conference, Saturday 12 September 2020, though presenters are welcome and encouraged to attend panels over both days, and the programme can be viewed [here](#).

There are a limited number of travel bursaries available to lightning talk-presenters for travel and accommodation costs.

To be considered, please send an abstract of 150 words or less outlining your research topic, including questions and methodology, as well as short biography of 50 words or less to Michele Robinson ([michele.robinson@aalto.fi](mailto:michele.robinson@aalto.fi)) by Friday 3 April 2020.
