Request for Online Posters

WHO CAN SUBMIT? Midwives, student midwives, and others interested in birth. Students are invited to submit posters for the Student Stream.

WHAT KIND OF POSTERS? We welcome poster presentations that will be displayed on the VIDM website.

Posters may be about midwifery research, international midwifery (this may include the sustainable development goals), midwifery education initiatives, midwifery practice issues, midwifery philosophy, or Safe Motherhood.

A poster should:

- Have a clear aim or purpose
- Focus on midwifery or maternity care
- Be of interest to a global audience

OPTIONAL: Podcast interview

Posters on the website may be accompanied by a short podcast interview with the lead author about the topic. The submission form has a check box to indicate your willingness to participate in a recorded interview podcast. Further information about the podcast option will be provided upon acceptance.

LANGUAGES: While the poster proposal must be in English, posters in other languages are welcome. Please contact info@vidm.org for further information.

POSTER FORMAT: Posters may be prepared using any software. There are numerous infographic tools available in addition to the usual poster creation tools such as PowerPoint or Canva. Ensure your finished product meets the following standards:

- File format: PDF; JPEG; PNG
- Aspect ratio:
 - 2:3,
 - 3:4,
 - Landscape or portrait orientation
