

Global South-Global North
*Communities and
Labour Movements of Resistance*

Critical Labour Studies

A movement that attempts to provide links between:
trade unionists, activists, universities and researchers, allowing for a broad and critical debate to emerge.

The symposium aims to bring together activists and academics to discuss key features of work and employment from a radical Labour focused perspective

*CLS colloquium is sponsored by
Capital and Class,
journal of
The Conference of Socialist Economists*

ARMAGH
The orchard county

This year's colloquium will be held at the internationally renowned new social and community centre Aonach Mhacha located in Armagh City.

The centre hosts a community-based social enterprise that strives to overcome social and cultural marginalisation and promotes the development of the Irish language
