

# TIKTOK AND SELF-REPORTED ADHD

**WOMEN OVER 35 NEEDED**

## Do you use TikTok?

I am currently studying psychology at Bishop Grosseteste University and need participants to complete a survey for my dissertation.

## Non-TikTok Users Also Needed

Whether you use TikTok or not your participation in this study is needed and very appreciated!

## What do you have to do?

There is a questionnaire link below where you will be asked questions on your social media usage, an ADHD self report scale and questions on your opinion about ADHD representation on social media.

## How long will it take?

The questionnaire will take around 10-15 minutes to complete.

**Please only women the age of 35 and over to complete the study**
